### News Notes From Burley.

T. W. Medley with his wife and baby have moved back to their ranch near Burley.

Grass is good here but we would be very thankful for some rain to keep it from drying up so soon.

N. A. Field has been appointed notary public and is now ready to stamp every one who comes along.

Manuel Sanchez and Jose M. Jaramillo have just contracted their lambs for October delivery at Magdalena.

We want and should have a good school here this fall and winter. There are plenty of children to attend.

Everybody is complaining of a short calf crop here owing to last year's drouth, but a double crop is expected for next year.

The engagement of the oldest daughter of Juan Baca y A. of Burley and Victorino Lopez of Magdalena has been announced.

Miss Anna Field has returned to her duties at the home of Mrs. Agnes M. Cleveland, the young New Mexico authoress of whom we are very proud.

The postoffice has been moved from the store of Jose M. Chavez to the ranch of Burley Bros. & Field, where N. A. Field, who has just been appointed postmaster, can better look after it.

Tom Payne, an old timer of these parts, is gathering his cattle to move them down near Burley, where they will be safe from bear and wolves, which have no use for Chief Navajo and his tribe.

The Indians have a fine corn crop, as good corn as you see anywhere, grown without irrigation or plowing, which goes to show that the Alamosa valley is only waiting for the American settler to be a garden spot.

We cried too soon. Just as we close, rain has come and is falling hard as far as one can see.

Adios, NAVAJO.

### Are You Engaged?

Engaged people should remember, that, after marriage, many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. C. A. Brown, of Bennettville, S. C., says: "For years, my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." The Socorro Drug and Supply Co. sells and guarantees them at 50c a bottle.
